1. Are proposals being accepted by non-DBE companies?

Yes proposals are being accepted by non-DBE companies. OKI encourages the use of Disadvantaged Business Enterprises, however being DBE certified is not a requirement for submittal.

1. I request clarification as to Attachment #4 "SUMMARY OF DBE PROPOSED WORK". When the proposal asks for "Project % of Work by DBE," what exactly are you looking for?

If your company is DBE certified, then you will need provide OKI with a copy of your DBE certificate. If you will be using sub-contractors who are DBEs, then you must also provide a copy of the sub-contractors DBE certificate.

Project % of Work by DBE – this is the percentage of work that will be completed by the DBE whether it is your company or a sub-contractor. For example, if your company is DBE certified and you will be completing 100% of the work then you would note 100% of Project work by DBE and list your company name.
