Agency Type: Private Non-Profit

Agency mission statement or general description of services

home52, LLC is a wholly owned subsidiary of Council on Aging of Southwestern Ohio. home52 programs and services help seniors and adults with disabilities by providing quality services that allow seniors the opportunity to remain in their homes safely and independently. The home52 Transportation model was designed to address transportation barriers through a social determinant of health (SDoH) lens.

home52 Transportation seeks to bring a cutting-edge, client-centered model of efficient transportation services to the region. home52 Transportation is a centralized and coordinated transportation service developed to meet the unique needs of riders who require specialized services. We provide high-quality, person-centered transportation services – including through the door services and on-demand rides when needed for last minute appointments. home52 Transportation will coordinate multiple transportation partners, utilizing a Transportation Management System for scheduling and real-time tracking and dispatching.

home52 Transportation launched on May 3, 2021. Our initial service population is Hamilton County Elderly Services Program participants. We seek to expand services to additional funders and customers residing in our service area of Butler, Clermont, Clinton, Hamilton and Warren counties in Ohio.
