

# Continuing Professional Development Activity Log

**4012**

All CPD activities and hours must be relevant to the practice of engineering or surveying and include technical, ethical, or managerial content. This form is required for tracking your CPD hours for your Ohio P.E. and/or P.S. registration biennial renewal. This form does not replace copies of your certificates of completion or other documentation required by Ohio Revised Code Section 4733.151. The Board requires 30 CPD hours for each biennial renewal and two (2) hours must in courses or activities covering professional ethics and/or the Board's laws and rules. A maximum carryover of 15 CPD hours is permitted for the next biennial renewal period. For information about the Board's CPD requirements, go to our website at [www.peps.ohio.gov](http://www.peps.ohio.gov)
