

Professional Development Hours Credit Statement for Attendee's Records 2023 OKI Conference on Freight, September 5-7, 2023, Cincinnati, Ohio

Many licensure and certification agencies recognize Professional Development Hour (PDH) units toward demonstration of continuing professional competency. It is recommended that you check with your own state licensure/certification agency about their specific requirements for PDHs.

This form is for your use in maintaining a record of any PDH units you earn at the 2023 OKI Conference on Freight. Complete this form and retain it for your records. Do not return it to OKI. It is recommended that you save the full program of each session or workshop you attend in case the licensure or certification agency requests detailed information. Reporting is done on an honor basis, and individuals are responsible for maintaining their own records.
